Take Your Travel Experience Further: The Frontiers Hosted Group Difference

Unparalleled Service and Knowledge Every Step of the Way

Dear Traveler,

With hosted group departures, we take it a step further. Frontiers not only customizes your journey, we are right there with you every step of the way. Hosted trip participants receive the same level of detail in their pretrip documents and final itineraries as all clients. Plus, you receive first-hand knowledge from years of our time spent in the field. Your hosts are there to answer questions about where to go for dinner and the best places to shop, as well as suggest the best time of day to capture the perfect photograph. You will explore the world with like-minded travelers and create memories that turn into stories for generations to come.

Frontiers is excited to extend a special invitation for you to join Barry and Cathy Beck on an exclusive hosted departure in East Africa, July 20 – August 3, 2022. This photographic safari encompassing Kenya and Tanzania is a Beck favorite and will provide a superb combination of incredible game viewing and safari camps in East Africa. Over the past 22 years, the Becks have hosted numerous safaris to Africa.

We have custom-crafted this departure to include four of the best appointed camps in East Africa – Kenya's Kichwa Tembo Masai Mara Tented Camp, Tanzania's Serengeti Under Canvas, Lake Manyara Tree Lodge, and concluding the trip is the Ngorongoro Crater Lodge, one of the most architecturally spectacular safari properties in Africa. Each location provides a distinctive, contrasting African experience and provides insight into the unique flora and fauna found in these regions.

Limited to just 12 guests based on double accommodations, Frontiers anticipates this trip will fill quickly. Come join Barry and Cathy Beck on this amazing adventure!

Sincerely,

Kathy Schulz
Africa Department Manager
